

## From the desk of Bishop Bruce Hill

This summer has been a traumatic time in the life for Gloria's mother and family. Somehow or another, without falling, her mom suffered a few fractures in her lower back. I guess being 91 years old didn't help. That meant time in the hospital and the realization that she could no longer live in her own home by herself. It was now time for her to move into an assisted living facility.

If you've been through those kinds of struggles and decisions (I went through the same thing with my mom a number of years ago), you know it's not easy for anyone - especially the person who's losing his/her independence.

What I found fascinating was that during one visit with my mother-in-law, as she struggled with the physical pain and the decisions that were being made by her and for her, she looked at me and said, "I wonder what the Lord is trying to teach me?"

I found that wonderfully fascinating for a couple of reasons: first, it showed me that even though she was in great discomfort in the hospital, she had a faith that her Lord was still in control. He was in charge and even though she struggled to understand the "why" of it, she believed He knew of her suffering and was there with her.

Secondly, she reminded me that you can be a follower of Jesus for a loooong time (as I said, she was 91 at the time) and still realize that there is always something new to learn, growth to take place in your knowledge of the Lord, and your walk with Him.

# From the desk....

*continued from page 1*

She understands the life of discipleship, of becoming more and more like Jesus, is one in which you never really get to say, "I'm done."

The Lord is always teaching, and we are to be always learning and growing.

Two questions: Am I still looking to learn from Him? What is He trying to teach me today?

Jesus' invitation to each of us is,

*"Come to me, all of you who are weary and carry heavy burdens, and I will give you rest. Take my yoke upon you. Let me teach you, because I am humble and gentle at heart, and you will find rest for your souls."*

I don't know where you are in your walk with the Lord, but don't stop walking, don't stop learning, keep growing. Because His promise is sure - when we seek Him and allow Him to teach and lead us, we will find rest for our souls.

In Christ's service,

Rev. Bruce D. Hill  
Bishop

*"The Lord is always teaching, and we are to always be learning and growing."*  
- Bruce Hill

## October is Pastor Appreciation Month

It is already September, but it's not too late to plan your congregation's appreciation for your pastor(s).

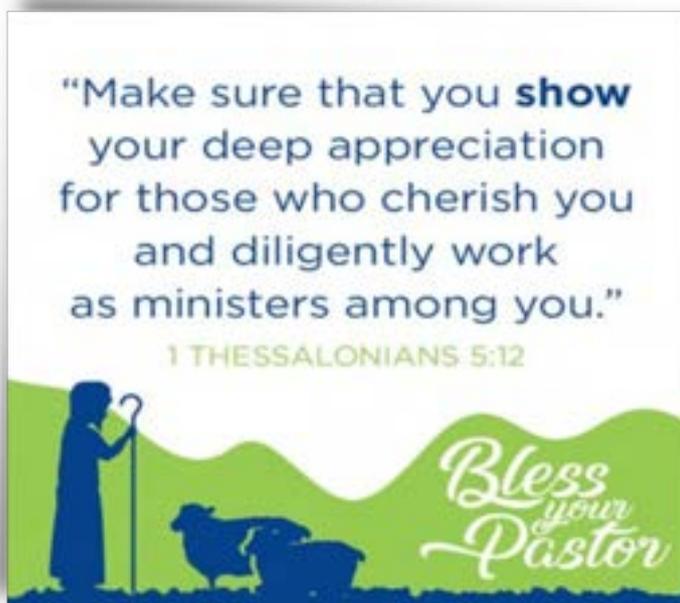

While most people would say Focus on The Family started this tradition in 1994 by making it a point to remind congregations to make the month of October special for their pastor, it really started with the Apostle Paul, or maybe I should say it started with the Holy Spirit.

It was the Spirit who inspired Paul to write,

*"Elders who do their work well should be respected and paid well, especially those who work hard at both preaching and teaching." (1 Timothy 5:17 NLT)*

The work of the pastor has always been challenging, even back in the days of Timothy. But the last year and a half have required pastors to provide service above and beyond what they have been trained to do. In addition, the pandemic made planning an appreciation event difficult in 2020.

We hope every one of our Evangelical Congregational churches will plan some kind of appreciation event for their pastor(s) during October. It doesn't need to be elaborate or expensive; but be sure to say "thank you" to your pastor, his wife and family, for their faithful service to Christ and the church.

The Evangelical Congregational Church is once again partnering with the National Association of Evangelicals (NAE) to honor and thank EC pastors for their hard work and dedication to their congregations and communities.

The NAE promotional materials and requirements for an additional pastor gift can be found at: <https://blessyourpastor.org>.

Please show your pastor how much he is loved and thank him for all his hard work and dedication. A cash gift to your pastor is always appreciated but there are many other ways to bless your pastor.

## Plan now for National Conference 2022

It may only be September 2021, but you really should plan now to attend a historic **National Conference 2022 on May 25, 26, 27** at Messiah University.

Conference will begin on Wednesday afternoon, May 25, with a very special service as we consecrate our next Bishop, Rev. Randy Sizemore. One of Randy's first acts as Bishop will then be to lead us in observing the Lord's Supper. Following that service Randy will open the first business session with his inaugural Episcopal Address.

On Thursday evening, May 26, we will gather together for a special banquet as we honor and celebrate the ministry of Rev. Bruce Hill for his eleven years of ministry as our Bishop. This is sure to be a time of good food, fellowship and fun, as we express our appreciation to Bruce and Gloria.

So, mark your calendars now and save the dates so you can be a part of these special times for our church family -

**National Conference May 25, 26, 27, 2022.**

## EC Center Renovations UPDATE

The renovations to the main entrance and first floor of EC Church Center are nearing completion. A fresh coat of paint on the first floor hallway and reception area, along with the new front doors, have brightened the area and created a good space to display the drawings of the EC Bishops.

The drawings are replacing the photographs of EC Bishops that previously hung in the stairway leading to the second floor. These are the drawings that were on display at the May 2021 National Conference.

## Retiree Appreciation

**We would like to thank all the retirees for their many years of faithful service to the EC Church. We appreciate you!**

*\*Please note: Unfortunately, we have made the difficult decision to cancel the Retired Pastors' Appreciation Banquet again this year. The decision was made as a result of the increase in COVID cases and its' variances. Our hope is to be able to have it again in October 2022.*

## **Friends of Evangelical Banquet**

*Celebrate the Savior and His Seminary*

Evangelical Seminary resumes the annual **Friends of Evangelical Banquet on Thursday, December 2**, at the Eden Resort in Lancaster.

How great to celebrate together how the Lord continues to deepen and widen the ministry of our seminary!

Dr. Curt Thompson, author of *The Soul of Shame*, and host of the podcast, *Being Known*, will equip and encourage the banquet group with his extensive work in neurobiology and how we thrive when we have shame-free intimacy with the Designer of our brains.

Discover that the Spirit is calling amazing ECers into biblically-sound seminary education that is accessible, affordable, and relevant to our EC family of churches. Contact Sonya Valentino, (EC church member at Christ Community Church) if you would like more details.

**Cost of Living Adjustment (COLA)**

Some may have heard that the Social Security COLA increase this year will be the highest since 1982. The current internet chatter is estimating the increase at around 6%. The official release of the Social Security COLA is normally in October, but also seems to be released later and later every year.

The Pastoral Compensation Committee annual report approved at the May 2021 National Conference continued the recommendation of awarding pastor salary increases at the Social Security COLA increase. Most likely, there will also be a moderate increase in health insurance premiums effective January 2022. Calendar year 2022 appears to be shaping up to bring some financial challenges to churches. As information becomes available, we will pass it along.

**Highmark Freedom Blue**

The Highmark Freedom Blue 2022 renewal was approved by the EC Benefits Trustees, with a rate increase of \$6/month, from \$249 to \$255 per month. The new rate will be on the January 2022 invoices paid during December 2021. Participation in the Highmark Freedom Blue plan is voluntary for retirees. Retirees are encouraged to investigate other MC Supplemental plans and choose a plan best for their healthcare needs and cost.

**Disability Insurance Premium & Benefits Services Fee**

There are several churches that have not remitted the \$100/yr disability insurance premium and the \$125/yr benefits services fee. **If the disability premium is not received for the year the pastor is not covered.** The disability premium is listed in the treasurer's guide on the EC website, and is due by January 15 of every year. The \$125/yr benefit services fee is due April 15 every year and is due from every church with an assigned pastor.

### **NEW TAKES ON THE MISSIONAL CHURCH**

ZOOM Session . . . Saturday, September 18 . . . 8:30 - 11:30 a.m.

Join us for two conversations about Jesus' mission, our mission, and daily life in our ever-changing world.

The mission hasn't changed. The need hasn't changed. But the world and culture in which we live is in constant flux.

Let's discuss ways to focus and make a difference as we live a Jesus-kind of life.

Session #1 . . . God Has a Church for His Mission . . . You've probably read, "God doesn't have a mission for his church, he has a church for his mission." Do we understand the mission of God as the purpose for the church?

Join us for a conversation as we seek clarification and stretch one another with the questions we really should be asking.

Tim Seiger will guide the discussion and time of Q&A.

Session #2 . . . As You Go . . . It's great to gather to worship and fellowship. But we can't stay there all week.

Let's discuss what we might do for Jesus as we go, as we do what we normally do during an average week.

"Go and make disciples" does not have to be complicated. Lynda Miller will moderate the discussion and time of Q&A.

Hello EC Family,

The next session of the Institute for Church Leadership begins in September. Each of our ICL courses are designed for you and your church family. Even if you live far from the seminary, the courses are now available on Zoom! Take a look at the course descriptions below, and I think you'll see how they could be very formative for you and for everyone in your congregation.

Pastors and Lay Delegates, can you please inform your congregation about the courses? Perhaps your church would even be willing to subsidize some of the \$230/class tuition for students? If you would like more information, please don't hesitate to be in touch. And if anyone would like to register for a course, all the details are provided at the ICL page on the seminary website.

Sincerely,  
Joel Kime
