

Welcome back to Vacation Bible School. This is our fourth and final Missions Moment for the week! I don't know about you but I've had a great time learning about the people of India and all the work that is being done by the EC Church of India. How about you?

The people of India need the love of Jesus! Don't you think? Let's say the Scripture passage for India together.

Here is a picture of the city of Churachandpur (Chora-chond-poor) This is where the Evangelical College of Theology is located. This is also where the E.C.C.I. Headquarters is located. The missionaries have gone out from this city and are reaching different areas in this part of India and beyond. We already talked about different religions in this area. In addition, people belong to different tribes of people. The EC Church of India has separate groups of churches that work with different tribes all over Northeast India.

The people trained at the Evangelical College of Theology in India will go out and reach the diverse groups of people for Jesus. They will share the Gospel message of how Jesus loves them. From the very poorest children.

To those in the mountain ranges.

To those near the beach.

Delivering much needed food supplies to those who are hungry.

To families....

And older men...

To those in the cities....

And women in the small towns...

All who need the love of Jesus in their hearts and lives.

Your offerings this week will go to help the EC Church of India start the new project to build a secure and strong wall around the campus so that they can continue to provide training and teaching to those who will become pastors and missionaries to reach all people groups in India.

And see God's Kingdom grow and the people of India come to the saving knowledge of Jesus. Asking Him into their hearts so that they can be with Him forever! Thank you so much for your offerings you brought with you this week. I'm sure Pastor Ted will be so happy to know you were a part of helping the EC Church of India. And I'm sure Rev. Singson will be so blessed by your generous heart and caring spirit for all the people of the EC Church of India and for ALLLLLLL the people of India! We'll see you next year for VBS Missions Moments!
