Biographical Information – Daniel & Melinda Moury

Rev. Daniel Moury and his wife, Melinda, have been serving as Evangelical Congregational Church missionaries with Wycliffe Bible Translators since 2012. They are based out of the Wycliffe USA Headquarters in Orlando, FL where Dan serves as a Senior Videographer and Editor.

Dan's work as a videographer has taken him to places all around the world in order to tell stories about what God is doing through the work of Bible translation. The videos he and his team produce seek to inspire God's people to pray for the work of Bible translation, support it financially, or consider serving in this vital work with Wycliffe or one of its many partner organizations. Many of these videos are available for viewing on Wycliffe's Youtube channel or Vimeo channel.

Dan and Melinda have four children: Hannah (17), Josiah (15), Leah (13), and Rebekah (10). They have home schooled their children for the majority of their educational careers. While this has been Melinda's primary task over the years, she also uses her background as a Licensed Practical Nurse to help in Wycliffe's medical clinic several strategic times each year. The Mourys participate locally with Nona Church, a very missional church in Southeast Orlando.

The Mourys are excited to continue serving with Wycliffe Bible Translators and help this global organization reach the goal of making God's Word accessible to people of every nation and language.
